

TAPESTRY FAMILY SERVICES JOB DESCRIPTION

POSITION:

Mental Health Rehab Specialist (MHRS)

GENERAL

DESCRIPTION:

The MHRS position provides direct behavioral guidance and support services to both children and adults who are participating in Tapestry Family Services Programs. The MHRS facilitates individual and group rehabilitation services, In-Home Behavioral Services, and Intensive Care Coordination Services. This position includes facilitating groups, helping to stabilize clients, instructing and guiding clients in the completion of the goals of their individual plans, implementing behavioral interventions, facilitating the participation in therapeutic services, helping to structure a safe environment, making collateral contact between the families and the community and guiding/participating in activities necessary to assist in the implementation of the client's Treatment Plan.

The MHRS role involves regular travel using a vehicle to transport clients to and from appointments and services. In the event a company vehicle is not available staff are expected to utilize their personal vehicles (mileage reimbursement provided).

This position requires flexibility in scheduling. The services will vary according to each client's needs and changing circumstances. The MHRS participates in the Tapestry Family Services Treatment Team, and in that role may have responsibility for participation in the review and monitoring of Treatment Plans.
